## 5 Announcements for 2022

### 5.1 Early Career Researchers Grant

New annual grant of $10,000 CAD, plus complimentary LAK and LASI registration to support promising early career researchers by enabling a research initiative around the 2022 theme of supporting inclusive learning with learning analytics. Applications are now open with a deadline of 2 May 2022.

### 5.2 2nd Edition Handbook of Learning Analytics

The second handbook has been released and the panel was just prior to this meeting. Thank you to all the editors for their hard work.

### 5.3 Awards Committee

It is 10 years since SoLAR was incorporated and it is time to establish a process, criteria and awards committee to give out awards on a more regular basis to recognize the work in LA for early, mid and senior career researchers.

### 5.4 Lifetime Member Award

A SoLAR Lifetime Member Award is a prestigious award that recognizes the significant service and/or sustained contribution of a member to the Society. Lifetime Member Awards are the highest recognition of achievement made by SoLAR. Lifetime members have complimentary membership in SoLAR. President Scheffel presented the Lifetime Member Award for 2022 to Dragan Gašević.

## 6 LAK23 and LASI22

Let’s try again for face-to-face LAK23 in Kyoto, Japan – 6 to 10 March 2023. The theme is “Toward Trustworthy Learning Analytics”.

LASI22 is fully virtual from 21-25 June 2021 with 10 workshops and 10 tutorials to choose from beginner to intermediate levels.

## 7 Open Discussion

Dragan Gašević acknowledged that he was humbled by the award and suggested something the SoLAR Executive could consider was to include certificates not only for all the best papers, but for all the nominees as honorable mentions similar to other societies. It is a significant achievement to be shortlisted and could be more formally acknowledged.
The President thanked DG for the suggestion and said it would be formally considered by the Executive.
